You made it happen. You made the difference! GiveIndia

Job Profile:

He is converting the normal text into braille with the help of a software and then bind them to different volumes and distributes them to students. He also teaches braille to our blind students who are lacking.

Date of providing:

We provided them with the braille material in the month of March. Since, February our operator was printing the Braille books.

These are the students to whom we have provided the braille material; photos are attached for your kind reference.
