Name of the donor:

Purpose of donation: Help improve the health of a rural woman by providing a smokeless fuel efficient domestic stove

Brief Description

DONATIONS RECEIVED THROUGH GIVEINDIA IS USED ONLY FOR POOR BENEFICIARIES

The beneficiary is a poor family using traditional wood burning stove. These mud stoves which caused smoke & heat issues in kitchen; importantly it consumed more firewood. Now with the improved fuel efficient cook stove donated to them through your contribution, they will be able to save fuel costs. Importantly, the family will be relieved of the smoke and heat problems in the kitchen thereby reducing the health issues. The money that is saved by way of less wood can henceforth be spent for other purposes like education and nutrition.

The stove model donated is called 'Pyro mini' and it is a ready to use 2 pan stove with chimney. These stoves not only save fuel costs but also reduce Indoor Air Pollution (IAP), a rampant problem with traditional stoves.

Thank you!

, From TIDE, we would like to thank you for this donation. You may know that as per WHOM, 488,200 deaths per year in India can be attributed to Indoor Air Pollution (IAP). Your contribution has done its small bit to eliminate this hazard and also towards saving environment by saving about 35% wood consumption. We thank you for the same and look forward to your continued patronage. Please see our website www.tide-india.org if you would like to know more about our work in the areas of energy conservation, water & environment and Women & Livelihoods.
