Balkutir:- Saikripa, started with the aim to stand up in the society for the underprivileged children to uphold their feelings of love, independence, self respect and dignity irrespective of colour, caste and creed. It began its very first program Balkutir – This is a Home for children having no parents/abandoned, inspiring them to live a fulfilled life as the destiny of the nation depends on the children. Beginning with just one child in 1990, today Balkutir has a strength of 48 children growing to a full family with children of all ages.

Balkutir provides shelter, food, education and healthcare. While they are essential, Balkutir also does something that is far more critical- develop a child's self eastern and outlook towards life. The environment at Balkutir is warm, friendly and colorful and suffused with love. It is the Home that love built love runs. And perhaps the most important thing that the children learn at Balkutir is love - love for life, love for those close to you, love for ideals, love for oneself. It is our belief that anyone who has learnt the value of love will grow up to be a balanced, successful adult.

Your funds are utilized for the purchase of grocery items, fruits, milk, cooking gas and other consumables for the preparation of food for the children. The children are usually given a cup of milk after the morning prayer then chapatti with subji for breakfast. They are given in lunch rice, subji, Dal, curd and fruits in dessert. For dinner the children are given kichadi or chapathi, subji.

Due to your support the children's life is improved in many ways especially in their studies and health.
