**Dear**

We at TRDC and GiveIndia, express our gratitude for your generosity and enthusiasm, in supporting this programme. We believe that a little kindness and a helping hand goes a long way... in changing lives!

We at TRDC work on actionable issues relating to acute poverty, resource degradation, illiteracy, health and varied aspects of development among the rural communities in Uttara Kannada, Mysore and Haveri districts of Karnataka. We have partnered with GiveIndia, in putting forth this donation platform that caters to specific needs of the children and the 'girl child' in the community.

**Beneficiary Details:**

We are happy to share with you, that your contribution has brought so much joy to little Roopa Kumbar hailing from Kupplur plot village in Ranibennur Taluk. We assure you that this donor programme will help her get back to school. We are confident that this programme would kindle in her, energy to discover, understand, learn and progress.

**Brief Description:**

Roopa Kumbar is a 14 year old girl currently residing at Nitapalli village in Ranibennur Taluk. Her parents are Shankarappa and Mangamma. She has a sister and they are a total of four members.

Roopa's parents do not have a house for living and they work as coolies. Her father had a second marriage and completely stopped taking care of Roopa and her sister. Her mother

works as a coolie and earns very little, which forced Sujata to discontinue the school after class VII. The Remedial Education Centre (REC) at Ranibennur identified her as a suitable candidate under the 'Girl Child Education and the Joy of learning' programme. TRDC staff convinced her parents to send her to the regular high school at Ukkadagathri Karibasaveshwara, High School and choose her to strengthening girl children program. Roopa will now be admitted for class VIII, and will join the Government High school, Shri karibasaveshwara High school at Ukkadagathri .

Roopa's hobbies are watching television, singing song and playing throw ball. For Roopa ambition is about stretching one's wings and trying to surpass one to reach new heights. Roopa aims to become a Primary school teacher and illuminate the lives of children in her village for better future.
