Transaction date: 19-Dec-2014 **Units :** 1

Name of the donor:

Purpose of donation: Donate a toilet for a very poor family living in a village

Brief Description:

Donations received through GiveIndia are used only for poor beneficiaries.

years is living in Malyawas village. The family is living in very poor economic conditions and living in a hamlet. She has 4 members in her family. The family condition is very poor. has father in law and mother in law in her family.

The family was unable to construct a toilet for their family use, which compels them to go outside for answering the nature call. Her family is living in a very miserable condition. The female and male members of her family have to go outside in the open fields for the defecation. There is increasing risk of snakebites outside in the open fields especially in dark hours. There is always risk of snakebite and particularly during nights and rainy season; the agricultural fields are always filled with pit vipers, which are common in the rural areas of Rajasthan.

The family was selected after the recommendation of Self Help Group members in the SHG meeting. The issue was raised by an SHG member of the SHG group. The Gram Chetna Kendra's social worker was present in the meeting and the case of was discussed at length.

The family members have to go outside in the fields for the open defecation. The women members of the family face a lot of trouble. The family's economic condition is very weak.

This issue for construction of toilet for the family of was raised by the local Self Help Group members in the SHG meeting. In the SHG meeting the issue was discussed in length and in detail by the GCK social worker and the SHG members. and her family's economic condition were discussed and then the family was selected as beneficiary for GiveIndia project for construction of the toilet. The toilet was constructed in the close proximity of her house. The social worker of

You made it happen. You made the difference! GiveIndia

GCK counselled them about its use and impact of sanitary toilet and encouraged them to use it on regular basis.

This support had changed the sanitation behaviour of the family and increasing awareness among neighbouring families. The family is now happy and render thanks to their Donor, GiveIndia for the construction of the toilet. and her family use this toilet daily and now they do not need to go outside in the open fields anymore for the open defecation.
