TRN-0006621091/TD-0007250348	Sponsor the cost of psychiatric medicines for treatment of a Mentally Ill poor person	Anapurna Bhoi	Success	9-Aug-2017	Annapurna was sleeping when I visited her house. Her parents were at home. They offered me some water immediately and her father sat with me to verify the benefits they have been receiving from Vikash. Her father told me a really disheartening reality. He told me how because of his daughter's mental state, the villagers had thrown them out of the village and therefore had to stay in isolation. As a result, their only livelihood is by working on their field and growing the required foodstuffs that last for the entire year apart from growing specific vegetables. They have no other source of income and the help they get from Vikash is really very helpful.	Pauras

TRN-0006723962/TD-0007374768	Sponsor home based treatment of 25-30 poor disabled children for a month	Basudev Pradhan	Success	9-Aug-2017	Basudev has been getting the treatment since a year now and has improved tremendously. Basudev's father told me how he was born with crooked legs and now there has been much improvement, he can now keep one of his legs straight and can walk with less support. Being ridden by poverty, to have one person always with Basudev is too much to ask for this family and it is such a pleasure to see his family always smiling through such pain.	Pauras
